

# HORIZON PLAN 2045 IREDELL COUNTY

## Long-Range Planning Reference Documents and Websites

The process to develop the 2045 Horizon Plan is currently underway. For more information on the planning initiative, check out the project website: [iredellHorizonPlan.info](https://iredellhorizonplan.info)

Provided here are links to several websites, reports, and online mapping portals that provide important information on existing conditions in Iredell County and planning influences to consider for the next 20 years. Additional data and information sources will be provided here as they become available.
